

# Iran: Free Mansour Osanloo now!

I am writing to express my serious concerns about the violent re-arrest and unjustified imprisonment of Mr. Mansour Osanloo, the President of the Syndicate of Workers of the Tehran and Suburbs Bus Company (Sherkat-e Vahed). I am outraged at these arrests and sentences which show that your government has disregarded the fundamental workers' rights, such as freedom of association and the right to celebrate Labour Day. I strongly urge you to free Mansour Osanloo immediately and unconditionally and take immediate measures to ensure that all sentences against the other labour activists are unconditionally dropped without any further repercussions.
